

C. CLASS VII

SUBJECT - G.K. Chapter - 1 'National Integration'

The key to the national integration in India is 'Unity in Diversity'. Some ways in which we can celebrate the diversity of our country and instil the spirit of national integration such as:
Sing the nation Anthem - We should sing it together with our friends and realise the significance of each word.

Celebration of Cultural Festivals We should celebrate all festivals in our school and learn more about why and how these festival are celebrated.

Celebration National Days Celebration of National days make us proud of our nation.

Understand the National Symbols The diversity of different part of our country is reflected from its national symbols. We should know about them.

Start a School Bulletin Board; We should start a school bulletin board and put up posters, write-ups, and news about various part of India.
