Ques 1 What is Art?

Ans Technically speaking, art can be defined as the expression or application of human creative skill and imagination typically in a visual form such as painting or sculpture.

We can make a new colour by using or mixing two or more colours as.

 +  =  Red + Blue = Purple

 +  =  Yellow + Red = Orange

 +  =  Red + Green = Brown

 +  =  White + Red = Pink

Ques 2 Draw any two human actions with pencil shading?

Ques 3 Draw a "Landscape" and colour it?
