

SHAGIRATHI DAL SHIKSHA SADAN SECONDARY SCHOOL

CLASS - IInd

SUBJECT - E.V.S.

CHAPTER = 2 - HUMAN BODY

- * Human body is made up of bones and muscles.
- * We have five sense organs :-

- (i) Eyes :- Our eyes help us to see.
- (ii) Ears :- Our ears help us to hear sound.
- (iii) Nose :- Our nose helps us to breathe and smell.
- (iv) Tongue :- Our tongue helps us to taste.
- (v) Skin :- Our skin helps us to feel.

* External organs :- Organs of the body which are visible to us called external organs.

* Internal organs :- Organs which are inside the body called internal organs.

External organs

Internal organs

- Eyes
