

My Family

Learning Objectives

- To name the members of the family.
- To differentiate between big and small families.

Hot Start

1. Who is the eldest person in your family?

a. Mother

c. Father

b. Grandmother

d. Grandfather

2. What is father's father called?

a. Father

c. Grandson

b. Grandfather

d. Big Father

My Family

Family includes all the people who stay together in one house. Meet my family.

My mother takes care of me when I am sick.

My father helps me in my studies.

Think

Parth is very similar to his father. Do you share any similarity with any other member of your family in the way you dress up, eat, sleep, walk or laugh? With whom and how? Discuss in class.

Zoom in

- Members of a family take care of each other.
- Families can be small or nuclear, and big or joint.
- A small family includes mother, father and their children.

Words I Learnt

Nuclear Family : A family with only parents and children.

Joint Family : A family with grandparents, parents, uncles, aunts and children.

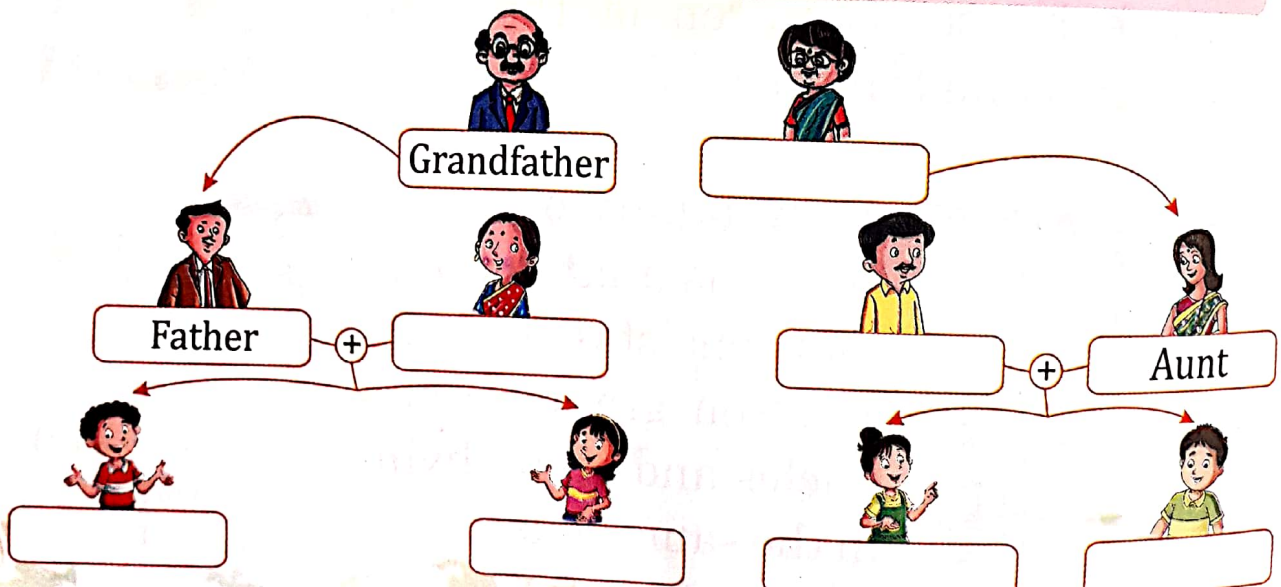

Exercise

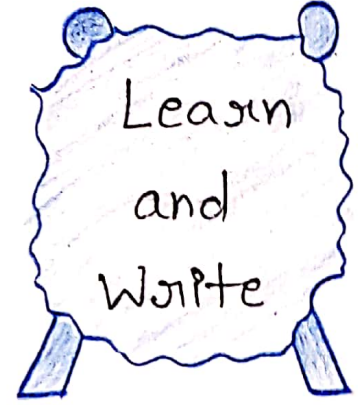

A. Complete the family tree by filling in the boxes. Take help of the words given below.
