

Bhagirathi Bal Shiksha Sadan Sec. School
Class-IV, Sub. G.K, L-12 'Guess My Name'

Fruits and Vegetables give us carbohydrates, vitamins, minerals and other essential nutrients.

If we want to stay healthy, we should eat them every day.

Guess the names of these fruits and vegetables from the clues and write their names using the help box.

⁵Onion ⁷Lemon ⁶Grapes ²Tomato ⁹Potato
¹⁰Carrot ¹Banana ⁴Papaya ³Pineapple ⁸Watermelon

1. Monkeys love to eat me. I am yellow, long and rich in calcium and fibres.

2. I am round and red from inside and outside. People use me to make sauce and ketchup.

3. I have 'apple' in my name, but I am not an apple. I am a yellow fruit with spikes outside and very juicy and soft inside.

4. I taste very sweet. I am a tropical fruit that is soft and bright orange from inside.

5. I am vegetable and I am frequently used as salad. I make the one cry who cuts me.

6. I come in different colours such as purple and green. Before I turn into raisins, I am always seen in a bunch.
